(Last weekend, Roger watched a video about a fun trip on the Internet. Then he packed his clothes and hurried to take a trip to a small but interesting place, Haru Island.)

Roger : Excuse me. Can you show me the way to Mazumo on Haru Island?

Woman : It's a very long way to get to Mazumo. First, you have to climb a big mountain and go through a big forest. And then there is still a very long way to go.

Roger : Wow, getting to Mazumo is really difficult! It will be a ten-day trip, right?

Woman : Yes. You will camp for a few nights. And you will also need a jeep and an experienced guide to get there.

Roger : I see. How can I find a jeep and an experienced guide?

Woman : Lucky you. My brother, James, is an experienced guide. He is free now, and he can lead you to Mazumo.

Roger : Cool! So, how much is it for the jeep and the guide?

Woman : Well, twenty dollars a day for a jeep, and the same for James.

Roger : I'm OK with that.

Woman : There are not any stores along the way, so you need to buy enough food for the trip. By the way, it is very difficult to go through the forest now because it is the rainy season. You have to listen to him on the way there, and you can't make him do any dangerous things.

Derek : Excuse me, sir. Could you help us? We're going to Wild Water Park, but we're having trouble finding the place.

Ted : Oh, that's not too far from here.

Derek : Great! Could you show us? We have a map on our smartphone.

Ted : Sure. Let's see, you need to drive along Westeros Road and go past the shopping center.

Derek : Oh, we just came from there.

Ted : When you come to Farmers Road, go south. Soon, you'll see Funtime Road on your left, so turn into that and keep going. You won't miss the park because it's huge.

Derek : Cool! There's just one more thing. Our children are hungry. Are there any places to eat near here?  
 Ted : Sure. You can go to Farmers Market. Instead of going south on Farmers Road, just go in the opposite direction. It's across from Hill's Farm.

• A Small but Nice Place  
 (Andrew)

The restaurant is small but nice. It is near the train station with a nice view of Sunny Lake and the mountains. It is a good place for having fun. There is a fish pond behind the restaurant. My children enjoyed watching and feeding the fish there.

• Very Nice Meal

It is a family-run restaurant. It is famous for its yummy fish and tea cakes. The food is great. There are a lot of visitors here, and they like their meals.

• Cheap but Delicious Food  
 (Mike)

I really enjoyed the food there. Although we spent two hours driving there, it was worth a visit. By the way, don't believe Google Maps, it won't lead you there. After you drive past the train station, take the second right turn. Drive along the road, and the restaurant will be on your left.

• Too Small and a Long Line  
 (Julia)

It is a busy restaurant. No smiles or a warm welcome. The food is mediocre. My fish is cold, and there is no flavor. What are the cooks doing? How come the restaurant is so popular? Everything here is terrible.
